Likes: _____

Dislikes: _____

In each issue of *Sideplate* we feature a Member Profile. We welcome anything you want to tell us about yourself, your family and your FE/FC: how long you have had the car, how you came to own it, what plans do you have for it and so on. We are also interested in suggestions you might have for club runs, and any other views or ideas you consider appropriate. Please include a photo of your car for publication in the newsletter.
